Dear Chase Rescorla Scholarship Fund Supporter:

An exciting event will be taking place in St. Augustine at 6:00PM on May 15, 2010. On this date, a benefit dinner will be held at the Elks Lodge located at 1420 A1A South, for the Chase Rescorla Scholarship Fund. This is the 4th Annual Dinner and builds on the success of prior years.

The Chase Rescorla Scholarship Fund was established to honor PFC Leo C. Chase, Jr., and LT Rick Rescorla, both who served in the 1<sup>st</sup> Cavalry Division during Vietnam. Their story is on our website noted below. In their honor, scholarships will be given to financially-challenged students to further their education and keep the memories of these wonderful men alive.

We would ask that you consider joining us for this great event. Tickets for the dinner are \$40 per person. It will be a great opportunity to hear from those who have so nobly served our country and to participate in supporting this worthwhile charity. You may also choose to make an additional contribution; the levels of giving are as follows:

Medal of Honor	\$2,500	recognition Home Page, full page in program & table for 8
Presidential	\$1,500	recognition on Website, full page in program & table for 8
Command	\$1,000	recognition on Website, half page in program & 8 tickets
Patriot	\$500	recognition on Website, quarter page in program & 4 tickets
Salute	\$250	listing in program, and 2 tickets
Individual tickets	\$40	per person

We sincerely hope you will be able to join us for this occasion. If you cannot but still wish to support the fund, provisions for doing so can be found on our website under sponsors and donations. You may also contribute by establishing an annual endowment to the fund. All contributions are 100% tax deductible. Information is available at [www.chaserescorlafund.org](http://www.chaserescorlafund.org).

Thank you for preserving the memory of our veterans,

Septimus Connor, President
